EDUCATION

B.Tech
SRM Institute of Science and Technology - Kattankulathur Campus

06/2019 - Present   *Tamil nadu, 8.8 CGPA*

Courses
- Computer Science and Engineering (with specialization in Cloud Computing)

Intermediate
ABHYAAS JUNIOR COLLEGE

06/2017 - 05/2019   *Guntur, 967 marks*

Courses
- MPC

10th Class
Alpha Public School

06/2016 - 06/2017   *Kanigiri,10 GPA*

WORK EXPERIENCE

Teaching Assistant
Coding Ninjas

11/2021 - 02/2022

Achievements/Tasks
- My responsibilities here include : Taking doubts of students on Data Structures and Algorithms
- Debugging the programs and helping them in making them more optimal
- Monitoring the Performance of students assigned to me

Tech Trainee
High Radius

01/2022 - 03/2022

Achievements/Tasks
- My responsibilities here include :
- Building a Machine Learning based project to get the prediction of when the invoice is going to get paid
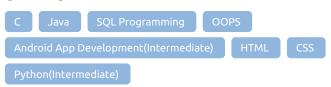

EXTRACURRICULAR ACTIVITIES

Sports
Participated in Mandal level kabaddi tournament in 2016

Stock Market
I am a part time trader and investor in stock market

SKILLS

C | Java | SQL Programming | OOPS | Android App Development(Intermediate) | HTML | CSS | Python(Intermediate)

PERSONAL PROJECTS

Text Detector from Images - Android App Development - Android development (11/2021 - 12/2021)
- An app which will allow user to snap or capture image using phone camera and then it will detect text in image using firebase machine learning kit.
- This is a text scanner app developed in Android studio using java language

Payment date prediction - Machine Learning (01/2022 - 03/2022)
- The dataset contains the invoice data and its attributes from various buyers
- Using this project, we have to predict the date when the invoice is going to get paid

CERTIFICATES

Java Certificate of Excellence (09/2021 - 10/2021)
Coding ninjas

Coding Ninjas DSA certificate (11/2021 - 03/2022)

Android development in java
Coursera - Vanderbilt University

Python certificate
Hackerrank skill test

ACHIEVEMENTS

Problem Solving
Solved over 300+ problems in all coding platforms like GeekForGeeks, Leetcode, Hackerrank etc

GeekForGeeks
Achieved a rank of 103 in SRM University for problem solving

LANGUAGES

Telugu
Native or Bilingual Proficiency

English
Full Professional Proficiency

Hindi
Full Professional Proficiency

INTERESTS

App Development | Machine Learning | Backend Development
